

User Guide

- **about this website**

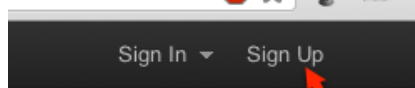

This web site is created as the final project for Open Source Course at [NYU](#).

This web site can be used to create simple surveys and let people vote on survey. The basic functionality is complete, however, some features planned originally (such as pictures in a survey and some social features) is not completed yet.

- **How to use this site:**

- **sign up:**

Before using this web site, you should first sign up for an account.

Click to sing up

Fill in the necessary info:

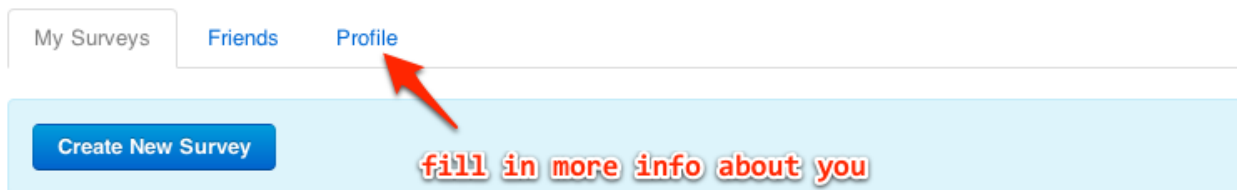

Username	<input type="text"/>
Email	<input type="text"/>
Password:	<input type="password"/>
Confirm Password:	<input type="password"/>

[Sign Up](#) OR [Sign In](#)
